Desk Framed Prints

A simple way to enhance your favourite image.
 10x8" Print, mounted on card and laminated with a durable satin heat seal for protection.
 Choice of frame styles with strut stand.

Fine Art Wraps

A great choice to showcase your favourite image.
 Mounted on board and wrapped around a wooden framework to eliminate product bowing.
 Beautifully finished in white cotton and UV laminated to preserve ink permanence.

Wall Framed Prints

A simple yet effective way to highlight and showcase your chosen images.
 Choose from frame mouldings 101 or 102, with or without border mounts.
 High visibility acrylic gives the same clarity and definition as glass, yet is lightweight and durable.

Box Framed

A more modern take on Framing - The Box Frame sits flush against the wall giving an image box effect to the overall look.
 Choose from 6 frame moulding colours - high gloss laminate, quality durable finish.
